

CIRCULAR HEAD MAYOR DARYL QUILLIAM'S MESSAGE 3 APRIL 2018

Last week I attended a beef information day at AgriTas with about 40 farmers organised by Greenhams Tasmania. During this I was privileged to present Greenhams scholarship award for 2018 to Stephanie Cowley. This scholarship is worth \$12,000 annually which is extremely generous by Greenhams. Stephanie is currently studying as a second year student at Charles Sturt University in Wagga, concentrating in chemistry, botany, microbiology, animal science, economics and new technology. She is excited about learning more about precision agriculture and drone technology mapping things like pasture growth and crop health. Stephanie's parents first shifted to Woolnorth as share dairy farmers over 20 years ago from New Zealand and have since bought their own dairy farm in Forest. I hope Stephanie returns after finishing her studies to help better educate our local farmers.

This week is the last week to apply for Round One of Council's Community Small Grants, with applications closing on Friday. I would encourage any interested community groups and sporting organisations to consider completing an application if you have any projects in mind. The scheme comprises four categories: Minor Works, Culture and Events, Health and Well Being and Sport and Recreation. Application forms are available from the Council Office or can be downloaded from the Council website. If you have any enquiries in relation to grants, please contact Amber Power at Council on 6452 4800.

For those interested in the proposed Port Latta Wind Farm, a reminder that there will be an information session held at the Rocky Cape Tavern on Wednesday at 7:30 pm. For more
