

## **CIRCULAR HEAD MAYOR DARYL QUILLIAM'S MESSAGE 6 FEBRUARY 2018**

Next week we will be seeing a large number of caravans and motor homes visiting our district to attend this year's Devil Country Muster at Trawmanna. The Muster is on from Friday 16 February until Sunday the 18<sup>th</sup> and will include performances from some of the top country musicians in Australia. This is also a great opportunity for our local businesses to show off our region to the many mainland visitors, which has the potential to increase tourism for Circular Head in the future should these people go home enjoying their stay here. I would also encourage our local people to again attend this event to ensure it continues annually.

That same weekend we will have the national Tidy Towns judges visiting Smithton on the Friday. They will be here to check out the town following our win at the state awards last year. As they will be judging Smithton on the national stage, I'd encourage people to keep their yards tidy and make sure the town is looking good. The winner of the national Tidy Towns award will be announced in Barmera, South Australia in April.

Nominations are open for the Circular Head Soroptimist Awards, which recognise the achievements of women and celebrate their contributions to our community. These awards will be presented at a celebration evening on International Women's Day on Thursday 8 March at the Circular Head Hall of Fame. All nominations will be reviewed by a selection panel and successful nominees will be recognised at these celebrations. Nomination forms are available on the Council's website, reception and from the Smithton LINC. Nominations close on Friday 9 February.
