

CIRCULAR HEAD MAYOR DARYL QUILLIAM'S MESSAGE 10 APRIL 2018

Last week I attended an information session along with two other councillors at the Rocky Cape Tavern to hear about the proposed wind farm at Port Latta presented by the proponents of this venture. There was a lot of feedback given during the presentation, with many questions answered while others will be followed up after more information is obtained. Around 40 local residents attended, which was encouraging. I look forward to seeing this project progress and hope for a favourable outcome.

This Thursday there will be a Youth Fest event at the Circular Head Christian School in celebration of Youth Week Tasmania. Youth Fest is on from 11.30am to 2.30pm, during which time there will be lots of activities on offer, including zorb balls, face painting, bull ride and a virtual reality room. This should be a fun event and I expect there will be a big turnout on the day.

Football season has rolled around again with the first round of the Circular Head Football Association season taking place over the weekend, while the Circular Head Giants teams were in action in the NWFL. I'd like to wish all our local clubs the best for this season and hope we will be seeing some exciting games in our area.

Congratulations to Luke Day from Forest who recently received the Young Farmer Encouragement Award at the Tasmanian Dairy Farm Awards. Luke is in the dairy farming industry and currently works at Nutview Farms in Forest alongside owners Steve and Sharon Fowlie. The dairy industry is very important to Circular Head and it's great to see one of our young farmers being recognised at state level.
