

CIRCULAR HEAD MAYOR DARYL QUILLIAM'S MESSAGE 17 JULY 2018

Last week we celebrated 10 years of our Circular Head Road Safety Program committee. This committee was set up to tackle serious road accidents that had plagued our area for some time. The success of programs for projects such as "Look after your Mates" and "Designated drivers" etc. has been very successful, with the committee having won both State and Federal community awards. Thanks to all members of this committee over the 10 years and it's good to see that it's still going strong.

It is now only eight weeks until nominations open for the local government elections. Again I would like to encourage people to consider whether you are interested in standing as a councillor for the next four years. It would be great to see some more young people and women join our Council. For anyone interested I would love to speak to you and help where ever possible. I would also suggest it would be worth attending meetings during the next two months to see how council works. The dates for the upcoming Council meetings are the 19th of July and the 16th of August.

Last week we a number of councillors and staff celebrated NAIDOC Week with the Circular Head Aboriginal Corporation by attending the flag raising ceremony and a luncheon at Trawmanna. This years' theme of "Because of Her, we Can" was a great theme celebrating the large role Aboriginal women have played and still playing during the many years of living in our great district. Well done to all those involved in organising the events; this week is certainly an important time in our community.
