

## CIRCULAR HEAD MAYOR DARYL QUILLIAM'S MESSAGE 22 MAY 2018

This week is National Volunteers Week, which is a great chance to acknowledge the many, many people in our community who work hard without wanting recognition for the hard work they do other for underprivileged people in our district. In Circular Head all our fire service people, SES, ambulance helpers as well as service clubs, CST and cancer transport drivers, Wyndarra helpers and many others provide services that we would not enjoy without all their hard work. I'm sure you will all join me in thanking them this week.

Speaking of our volunteer workers, tomorrow the 23<sup>rd</sup> of May is also WOW Day, which is Wear Orange Wednesday to recognise our SES volunteers. As the name suggests you wear orange on the day and is something you can get your workplace or family and friends involved in. You can also organise a WOW day morning tea. I'd like to encourage people to wear orange and show their support for this worthy cause. For the social media-savvy people you can take a photo wearing orange and then post with #ThankYouSES. If you'd like to find out more information, visit [www.wearorangewednesday.com.au](http://www.wearorangewednesday.com.au)

I was pleased to read last week that one of our grade 10 students at Smithton High, Christopher Joyce was successful in winning first place at the recent SumoBot Robotic competition. Well done to you Christopher and to all other students who competed in this event. I'd also like to congratulate William Dawson who recently travelled to Sydney to be awarded a regional finalist award for his poster in the National "Say no to Bullying" competition, which is another great effort.
